Dear David:

I wanted to thank you for appearing on the Organized Crime panel at the Fall Meeting. The panel served its purpose very well -- it demonstrated quite convincingly for the record what we all know to be true: organized crime is involved in counterfeiting and their activities are expected to grow. Your participation clearly helped drive this point home. Thanks, again.

I look forward to working with you in the years ahead. In light of your interest in this area, I thought you would appreciate seeing the attached.

Sincerely,

John Bliss
